

Weekly Update

IAMAW LOCAL LODGE 1943

September 1, 2021

All Groups:

Membership Meeting

Our next membership meeting will be Thursday, September 9, 2021 at 4:00 p.m. at your Union Hall. We will be bringing the customary motions to pay the bills and to vote on the newly initiated members coming into the membership. There will also be a motion on the following:

- Motion to fund the 2021 Children's Christmas Adventure; Cost not to exceed \$12,000 - Membership Approval

Fall Youth Team/Activity Sponsorships

Your Community Services Committee will once again be sponsoring two youth activity/sports teams for the Fall season. Each sponsorship will be worth up to \$250 and will be awarded by random drawing at the September 9, 2021 membership meeting. To be eligible, the participant must be a child or grandchild of a member in good standing of the IAM LL 1943 and be 17 years old or younger. Only one sponsorship per team will be given and in the case of an individual event (ex. Dance, 4-H etc.) only one sponsorship per child will be awarded. All entries must be turned in by 12:00 noon on September 9, 2021 to Jeff Geier at your Union Hall. All entries must be accompanied with a valid sponsorship form. Good luck to all who enter.

Cleveland Cliffs

Step II Bid Info (Intradepartmental)

There is 1 Step II bid posted this week:

#3 Roll Shop Bearing Repair (Est. Vacancies 2)

This job was posted in its respective areas on Monday August 30, 2021 and will be taken down at 12:00 noon on Monday September 7, 2021.

Step III Bid Info (Interdepartmental)

There are 2 Step III Bids up this week:

#4 Aluminized Operations (Est. Vacancies 4)

South Annealing Cranes (Est. Vacancies 4)

These bids were posted on Monday, August 30, 2021 and will be removed at 12:00 noon on Monday, September 7, 2021. You can sign these bids at the Pass and Visitor Center near the Main Gate adjacent to Cliffs Medical.

Fluid Power Classes

There will be 2 Fluid Power Classes during the upcoming Holiday week for current Maintenance Employees. The first class will be September 7th and 8th (6:30am to 2:30pm) and the second class will be September 9th and 10th (6:30am to 2:30pm). We can accommodate up to 8 students per 2 day Class. You will need all of your Standard PPE for this Class. Contact your Section Manager if you're interested in this training opportunity. If you have any questions, contact Willie Parman at your Union Hall.

Apprenticeship Information Meeting

We will be having an Apprenticeship Program informational meeting at your Union Hall on Tuesday, September 14th for anyone interested in bidding on the Apprenticeship Program. There will be 2 meetings, the first meeting will be held at 1 pm and the second meeting will take place at 3:30 pm. Each meeting will be approximately one hour long and provide details about the apprenticeship program. The instructors will be available for any questions you may have about the program.

IAMAW LOCAL LODGE 1943

September 1, 2021

Do you have, or know of a child with a Special Health Care Need?

The Children with Medical Handicaps Program (CMH) may be able to help.

(CMH was formerly BCMH)

What is CMH?

CMH, the Children with Medical Handicaps Program is a health care program in the Ohio Department of Health. It links families of children with special health care needs to a network of quality providers and helps families obtain payments for services their child needs.

CMH supports the **Patient Centered Medical Home (PCMH)** where primary care providers and families work together to improve health outcomes and quality of life for children and youth with special health care needs and their families.

A Good PCMH:

- Knows its patients.
- Partners with and learns from children and families
- Uses a team approach for the care of chronic conditions, which includes planned, proactive visits
- Coordinates services
- Co-manages with families and specialists
- Assists with transitions
- Provides connections with community organizations
- Is satisfying for families, providers, and clinical staff

CMH works with doctors and other health care providers to ensure that every child with a special health care need will have a **PCMH**.

Your voice is Important to CMH

Parents are encouraged to attend the Parent Advisory Committee (PAC) meetings. These meetings are held four times a year across Ohio. CMH values parent input on the development and delivery of programs and services for children with special health care needs. Please contact BCMHW@ODH.Ohio.gov for more information.

Three Ways CMH Can Help...

CMH has three programs to help children with special health care needs. All services must be given by CMH approved providers.

1 Diagnostic Program

Children can receive services for up to six months, from CMH-approved providers, to rule out or diagnose a special health care need or establish a plan of treatment. These services may include:

- Tests and x-rays
- Therapy evaluations
- Public health nursing services
- Visits to CMH-approved doctors
- Up to five days in the hospital

2 The Treatment Program

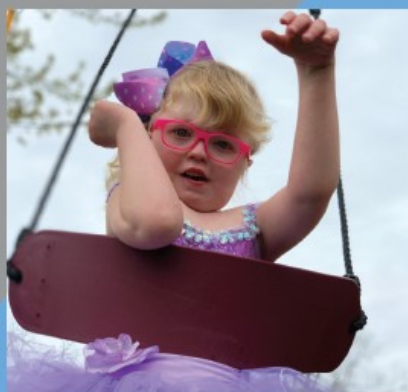

Children can receive services for one year, from CMH-approved providers, for treatment of an eligible condition. Both medical and financial eligibility are required for the Treatment Program.

- Laboratory tests and x-rays
- Physician visits
- Prescription medications
- Medical equipment and supplies
- Surgeries and hospitalizations
- Public health nursing services
- Therapies
- Service coordination

All services must be related to the child's eligible condition. If the child remains eligible, services may be renewed each year until the child reaches age 21.

3 The Service Coordination Program

This program helps families locate and coordinate services for their child. This is a limited program available to children, with specific conditions, who are seen by a team of providers at hospitals approved by CMH for service coordination.

How can families find a CMH-approved provider for their child?

Call your local health department or go to:

www.odh.ohio.gov

- Click "A-Z INDEX" in upper right corner
- Click "Children with Medical Handicaps"

What conditions are eligible for CMH?

Some of the eligible conditions are:

- AIDS
- Cancer
- Cerebral palsy
- Cleft lip/palate
- Cystic fibrosis
- Diabetes
- Scoliosis
- Hemophilia
- Hearing loss
- Juvenile arthritis
- Metabolic disorders
- Severe vision disorders
- Sickle cell disease
- Spina bifida
- Congenital heart disease
- Chronic lung disease

Special health care needs may be caused by a condition a child is born with or develops later.

Which children are eligible for CMH?

Those who are:

- Age 0-21
- Permanent residents of Ohio
- Under the care of CMH-approved doctor (M.D or D.O.) and who have or may have a chronic medical condition

Financial eligibility is required for the Treatment Program only.

How is a child enrolled in the CMH Program?

The child's CMH-approved doctor (M.D. or D.O.) sends a medical application form to CMH. Public health nurses can start the application process by referring families to CMH approved doctors. The parent, legal guardian or client who is at least 18 years old must sign the release of information and consent on the application form before CMH can act on the application.

How can families learn more about CMH?

Contact your local health department or go to:

www.odh.ohio.gov.
