Cleveland Cliffs

Gate Collection - Mike Herron

The Product Integrity department will be holding a gate collection this Friday, July 12th for Mike Herron. Mike has been off work for 14 months and has underwent multiple back surgeries in that time. If able, consider helping out our union brother in his time of need.

Dependent Verification Audit

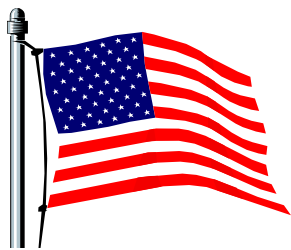

Please be aware that Cleveland Cliffs is performing a dependent verification audit for benefit coverage. The company will mail packets to your home beginning July 5th. You may also receive an email notification. The verification packet will explain the audit process, the criteria for an eligible dependent, the verification documentation required to validate your dependent's eligibility, and how to submit the documentation. Please keep an eye out for this important mailer and complete it within the given timelines to prevent any potential issues with dependent coverage.

Continuing Education classes for Journeymen

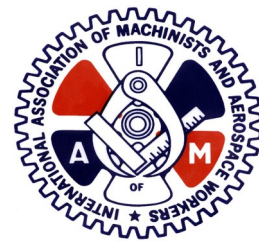

We are offering multiple classes at the training center for current Journeymen. Electric, Mechanics, Fluid Power and Rigging are available. Please see your Section manager for availability to attend. If you have site specific training needs let us know.
