## **Happy New Year**

On behalf of everyone at your Union Hall, Local Lodge 1943 would like to wish every member and their families a Safe and Happy New Year. We hope 2018 brings you peace and joy all year round.

## **2018 Winpisinger Training**

There are limited seats available for the Leadership classes next year. LL 1943 will be sending 4 members per class (Leadership I, II, III, Train the Trainer). Stewards will be selected first, followed by grievance-persons. At least one member per unit that LL 1943 represents will be given an opportunity to attend. Currently LL 1943 represents 5 units: AK Steel, Bowling Transportation, Pilot Chemical, Cummins, and Pest-Off.

If you are interested in attending this training please contact Derek Derifield at your Union Hall:  
(513)-423-6573.

## **And the Raffle Continues...**

Best odds of all previous raffles! The prizes will be 2 firearms raffled: A Ruger AR-15 .223/5.56, (10 cards remaining) and a Smith and Wesson M & P Shield 9mm (24 cards remaining). There will be one deck of cards per gun. The cost will be \$20 per card, with the winner being drawn at the following monthly Membership Meeting after all cards have been sold.

Money raised from this raffle is used to help fellow Union members from your Local Lodge in their time of need. Please spread the word.

**Any questions on the raffle, contact Steve Hollon or Jeff Geier at your Union Hall.**

## **Today in Labor History**

President Roosevelt seizes the railroads to avert a nationwide strike. His decision to temporarily place the railroads under the "supervision" of the War Department prompts the five railroad brotherhoods to agree to his offer to arbitrate the wage dispute - 1943

## **Cummins Negotiations**

Last week your Local Lodge representatives delivered through your Steward the pre-bargaining surveys. Every member should have a copy of these surveys to fill out. We will be collecting the completed surveys shortly and will be utilizing this important data during the negotiation process. Please contact your Union Hall if you have any questions or concerns.

## **AK Steel Negotiations**

Your executive committee will proceed with negotiations starting on January 22, 2018 with AK Steel. We hope to bring back a contract that will be acceptable to the hourly workforce and help move us forward in the years to come. When a new agreement is reached, it will not take affect until the current agreement expires on March 15, 2018.
